CITY OF CEDAR HILLS

TO:	Planning Commission
FROM:	Chandler Goodwin, Assistant City Manager
DATE:	4/8/2014

Planning Commission Agenda Item

SUBJECT:	Discussion on property located at approximately 3630 W 9220 N
APPLICANT PRESENTATION:	N/A
STAFF PRESENTATION:	Chandler Goodwin, Assistant City Manager
BACKGROUND AND FINDINGS: Ben Oyler has contacted the City about subdividing a series of lots in the area of 3630 W 9220 N, the subdivision involves the purchase and trade of multiple parcels. Of concern to the City is that each subdivided lot continues or will be able to meet the zoning requirements of the R-1 20,000 zone. Also, anytime a subdivision is approved, the developer agrees to perform the work necessary to bring that entire subdivision up to current code. This includes the installation of curb, gutter, storm drain and any other requirement as outlined in the City's design standards and code. (See City Code 11-5-2B 1a) The current plan would create two remnant pieces of property that would be too small for development, and would eventually be sold off to neighboring properties at some point in the future.	
PREVIOUS LEGISLATIVE ACTION: N/A	
FISCAL IMPACT: N/A	
SUPPORTING DOCUMENTS: Potential land division plan submitted by Ben Oyler	
RECOMMENDATION: Staff is seeking Planning Commission's opinion on the frontage requirements as well as creating two remnant lots.	
MOTION: No motion necessary, discussion item only.
